Present on this occasion will be many Pythians of prominence outside of the district as well as members distinguished in the local lodges.

Stanford will be in gala array for the welcoming of these honored visitors, most of the business houses being decorated with bunting and flags in the Pythian colors.

The formal ceremonies of the convention will not begin until three this afternoon when Judge J. N. Menefee Jr. will deliver the address of welcome to the lodge hall. ## Strikers Winning

FOOD SUPPLY GETTING LOW ON  
CINCINNATI SOUTHERN.

Famine in the way of foodstuffs and coal is threatened at Somerset and other Kentucky towns on the Q & C railroad on account of the firemen's strike. No freight trains have arrived at Somerset since last Friday, and many plants have closed down. Only one case of violence was reported Wednesday. At Lexington a strike breaker was stoned from an engine cab. Chief was reported from all other places.

King's Mountain is in sympathy with the strikers, but there has been no overt act of lawlessness so far there or at McKinney.

Farmers are plowing and harrowing in this vicinity getting ready for plant in corn and sowing oats and making garden.

## MIDDLEBURG

Meredith Francis of Kinsale, sold \$34 worth of wall paper to different parties in this vicinity, one day last week and he said it was not a first rate day for selling paper either.

Miss Nannie Coulter gave the young folks a social Friday night of last week in honor of her cousin Miss Florence McWhorter and Mr. Carlos Compton.

There is a new arrival at the home of C. C. Rogers at Yosemite, a ten year old boy and Chris is as proud of it as a little boy of his first pants.

He is wearing a smile as big as a broad tray.

The race for the republican nomination for representative in this county is made up of three candidates.

J. W. Rubarts withdrew and Henry Thomas of the Casey County News, doubtless thought he had it all to himself, but one Claude Gibson of Dunn Hill thought they were made of legions and he has entered the race.

At an early hour a few mornings since Mrs. John Henderson who lives at Yosemite heard some one stealing wood from his woodshed. She turned her dog loose and took a position at a window to watch results. In a few seconds the figure of a man was seen to pass out at the front gate and make his way down the street with her faithful dog close at his heels and reaching for the seat of his pants.

It is safe to say that Mrs. Henderson's woodpile will not be molested again soon.

## NOT A WORD OF SCANDAL

Married the card of a neighbor on Mrs. W. P. Spanch of Manville, Wyo., who said: "She told Dr. King's New Life Pills cured her of obstinate kidney trouble, and made her feel like a new woman." Easy but sure remedy for stomach, liver and kidney trouble. Only 25 cents at Penny's Drug Store.

## Sudden Freeze

FOLLOWS ONE OF THE MEANEST  
DAYS IN MARCH.

After one of the meanest days ever seen in March, the thermometer took a sudden drop Wednesday night and sent chills up and down many a spine where winter flannels had been discarded for light-weight togery, in anticipation of the balmy springtime.

A gale, blew all day Wednesday and raised so much dust off the city streets that many in the country thought a hail of smoke was hanging over the city and telephoned to town to learn where the fire was.

Farmers who planted clover early are fearful that the sudden cold spell is going to cost them heavily. Clover seed that has begun to "curl" will be killed. The thermometer went to 12 Thursday morning.

## Major Isaac Shelby

PASSES AWAY AT HIS HOME IN  
THIS COUNTY.

News was received here Wednesday of the death at his home "Arcadia" of Major Isaac Shelby, grandson of Gov. Isaac Shelby, the first Governor of Kentucky, which occurred shortly after noon, after a short illness. Major Shelby was 80 years old, the last of his generation of the family so distinguished in the early annals of the State.

Maj. Shelby was preceded to the grave many years by his wife, who was Miss Mary Steele, of Chicago. He is survived by eleven children—Mrs. Godfrey Dardishare, lately of England; Mrs. Shelby Sanders, of Louisiana; Mrs. P. M. McRoberts, of Stanford; Mrs. Will Lawwell, of Danville; Mrs. Kingsland Fisher, of St. Louis; Alfred Shelby, of Oklahoma and Isaac Shelby, Jr., George and Misses Mary Florence and Tevis Shelby, of this county.

In early life Maj. Shelby lived in Fayette, county with his father, and later went to Chicago, where he married. He enlisted in the Confederate army and rapidly rose in rank through distinguished service. For the past decade or so he had lived a quiet life of a country gentleman on part of Governor Shelby's original homestead "Traveler's Rest."

Mrs. McRoberts had been at her father's bedside since he first became ill, and nearly all the members of the family were present when the end came peacefully and quietly.

## To Holy Land

DR. VAUGHN STOPS HERE EN  
ROUTE

Dr. W. L. Vaughn, of Somerset, former pastor of the Methodist church here, lodged at the St. Asaph Hotel here Monday night en route to Europe and the Holy Land. On account of the fireman's strike on the Q & C, he was obliged to drive here from Somerset. He will sail from New York Saturday the 18th with Cook & Sons.

The venerable Rev. W. B. Godbey, of Perryville, who has twice before visited the lands of the Bible, will lead the party. They will take in England, Scotland, Ireland, France, Italy, Greece, Egypt, and Palestine, going as far as Damascus. They expect to make the trip in about 100 days. Dr. Vaughn was in excellent health and in fine spirits. The L. J. wishes him bon voyage.

Come and let me take you measure for your spring suit it will not cost you any more than the inexperienced man will charge you. H. C. Ruple the Practical Tailor. 21-2.

## ADDITIONAL LOCALS.

Governor Willson this week granted a pardon to Louis Lynn colored, who was convicted of manslaughter and sent to the penitentiary for life. He has been out on parole for some time and is said to be a good negro.

George Farris, Henry Phillips and Walter Holtzley were among the hardest workers at the Baughman fire last Sunday and whose names were omitted in the mention made of those who were prominent in the work of salvage.

News was received here this week of the death in Jeffrey county, Missouri, of Jack Butts, who left Lincoln county about twenty years ago for the west. He was a son of Mr. John Butts, of Highland and a prominent farmer of his adopted state. His brother, Ed, and sister, Mrs. E. Butts, and O. G. Spunkes left to attend the funeral. Mr. Butts is survived by his wife and several children.

## GO AT IT RIGHT.

Friends and Neighbors in Stanford Will Show You How. Get at the root of the trouble. Rubbing an aching back may relieve it. But it won't cure it. You must reach the root of it—the kidneys.

Doan's kidney pills go right at it; reach the cause, relieve the pain. They cure, too, so Stanford people say.

Capt. Thomas Richards, W. Main street, Stanford, Ky., says "Many years ago my kidneys began to trouble me. My back grew so lame that I could not stoop and I slept poorly at night. Sometimes an almost complete retention of the kidney secretions would, then again I had a frequent desire to pass them. When the secretions were voided, a burning pain was in evidence I finally had the good fortune to learn of Doan's Kidney Pills and I commenced their use. This remedy gave me great relief and in view of my experience, I consider it the best preparation of its kind I have ever taken. I have recommended Doan's Kidney Pills to scores of people and everyone has reported that good results have followed their use."

For sale by all dealers. Price 50c. Foster-McMillan Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

## COAL MINERS AT WORK AT MCKINNEY

EXPERT SINK SHAFT TO TEST  
THE MINE DISCOVERED ON  
TANNER PLACE.

Much interest is being manifested in the McKinney section over the tests which are being made of the coal mine which has been opened up on the farm of Mr. K. L. Tanner. Two experts have been engaged in drilling deep into the hill where the vein was found, and it is expected that it will be learned positively this week whether the character of the coal is such that it will pay for further development of the mine.

The experts who were secured to come to Lincoln directly from practical coal mining, struck into the hill a few hundred feet from where the first opening was made, and sunk a shaft so as to strike directly into what should be the heart of the vein. They say that all indications point a probable strike of a very rich vein of fuel, and if this is the result of the work, preparations will be made at once to mine on an extensive scale. So confident are the experts of the prospects of striking the right kind of coal that their work is costing Mr. Tanner nothing.

Two other farmers of that part of the county have found outcroppings in their places which seemed to indicate that they have coal mines also a few feet under the soil. Both James Cash and B. F. Cain have found a "black rock" showing in the ground, which readily burned in a fire, though leaving a small residue, apparently a core in the center which could not be consumed. It is believed that as this character of rock was found on the surface, a little mining would turn up the real carboniferous rock, which would prove to be real coal.

Both men are awaiting the result of the mining on Mr. Tanner's vein and if this is successful they will start at once, as will many others in the McKinney section who now are inclined to think that a great many exceedingly rich mines are concealed in the hills in that immediate country.

## FOLEY'S KIDNEY PILLS

Neutralize and remove the poisons that cause backache, rheumatism, nervousness and all kidney and bladder irregularities. They build up and restore the natural action of these vital organs. Shugars and Tanner.

## HIGHLAND

Farmers are busy making preparations for farming and gardening while only a few are making arrangements for tobacco crops, the past season's experience having cured the fever that had gotten hold of so many.

A few weeks ago Mr. Thos. Tankerley living near Paint Lick Garrard county lost his wife, leaving an infant child and a 2 year old little boy. He brought the two children to the home of his father-in-law, Mr. Brock at this place last week. The little boy Johnnie took sick the night they reached here and died the next night of spinal meningitis. Its remains were taken back to Garrard county and laid to rest by the side of its mother.

ECZEMA CURE A BEAUTY WASH Although D. D. D. Prescription has been recognized for years as the one remedy for Eczema, Psoriasis, and all other forms of skin diseases, it is now known that there is no other wash even those used by the beauty specialists, that can compare with this mild liquid for cleansing the skin of pimples, blackheads, rash, and all similar skin affections.

For this reason alone a bottle of D. D. D. should be kept on hand in every household. A trial bottle 25c. will show you the merits of this great remedy as a complexion wash.

D. D. D. seems to remove the cause of the trouble. It cleans the skin and soothes the itching as well as smooths the skin so that it is a happy child. Get a 25c bottle today and keep it in the house. Shugars and Tanner.

## Buying Tobacco Again

W. P. KINCAID PAYS 6 TO 8 CENTS  
FOR BAUGHMAN'S CROP

W. P. Kincaid has entered the tobacco market again, and this week bought about 20,000 pounds of the crop of S. H. Baughman, paying therefor from 6 to 8 cents. Mr. Kincaid is negotiating for other crops of Mr. Baughman and will look at other tobacco in this county which has not yet been offered on the market. Since learning that he is in the market again a number of growers who have extra good crops are saving them for him to see rather than take to the warehouses and pay big commissions.

## KING'S MOUNTAIN

Mr. M. G. Murphy was ordained to the ministry at Pleasant Point Baptist church Saturday the 11th. Bro. Jones of Stanford preached the ordination sermon, which was highly complimented. Bro. W. G. Tilford of Eubanks, delivered the charge, which was very instructive and touching. Bro. Noel presented the Bible in a very beautiful manner. The ordination is said to have been the nicest and best ever taken place in this part of the country. Bro. Murphy was paid a high tribute by the presbytery, as being real sound in the faith and well established in the doctrines of the bible. There were four churches represented by 16 ministers and deacons in the council. Bro. Murphy and family will start for San Marcos Texas, the first of April.

The report of attendance in King's Mountain Graded School, from fifth grade up, is as follows: Those who have not been absent during last two months are: Eva Leach, Lela Smith, Estell Goodrich, Maggie Smith, Dora Alford, Ira Roberts, Edna Childers, Charley Brown, Eugene Wall, Ernest Flint, Lena Francis, Earl Mudman, Mabel Flint, Pearl Hogue, and Clarence Carey.

Miss Edith Cox of Florida is visiting relatives at this place.

Mr. Herman Reed, who has been learning the barber trade here with Morris Wall, will open a shop at Middleburg the 1st of April.

There has been considerable confusion here over the negro firemen on the Q & C, since the strike almost every train with a negro fireman has been tied up here. The negroes told to dig and they have obeyed orders, leaving the trains to the engineers who would put them on the siding. So now all the negroes have flown the coop, and quiet is again restored.

King's Mountain boys have organized a band and we hope they will have success. Willie Tabscott of Middleburg is coming to instruct them.

Arthur Murphy, Ira Rounten, Walter Claude Singleton and Elmer Bell left Friday for Phoenix Ariz. Arthur Murphy will stay at Phoenix a while but will return to Texas where he will make his future home.

Mr. Frank Brooks our former marshal who has been confined to his room for several weeks with rheumatism we are glad to learn is slowly improving and will soon be out again.

Farmers are taking advantage of the spring weather and working early and late getting ready to plant out what now looks like the largest crop this part of country, has ever seen, principally corn as the low prices realized on last year's crop of tobacco has discouraged the raising of any great amount of that weed this season. Some have asserted they contemplate raising potatoes instead of tobacco this season claiming that potatoes at \$40 cents per bushel will beat raising tobacco at 6 cents per bushel.

## Tobacco Prizes

FOR STATE FAIR WILL BE LIBERAL THIS YEAR.

While the tobacco exhibit at the Kentucky state fair in 1910 was a good one, they received a great many complaints from the farmers and dealers of tobacco in different sections of this state and adjoining states that they could not get their new samples ready in time for the fair, owing to the late curing of the crop.

The board at a recent meeting agreed a schedule of awards on tobacco grown in 1910 on both Dark and Burley tobacco, making two extra classes upon which premiums will be given this year. These classes are open to dealers as well as farmers, the conditions of entry being the same as heretofore.

The premium list in 1911 tobacco will be adopted and published later. Following is the premium list. Burley Tobacco of the crop of 1910, samples to contain twelve regular sized hands:

## SOME SPORTS IN MADISON.

County Attorney Jackson filed thirty warrants with County Judge Shackelford yesterday charging "gambling" against several very prominent citizens of the Silver Creek neighborhood and according to the evidence upon which the warrants were issued there promises to be some sensational disclosures.

County Attorney Jackson claims that this is the biggest haul for gambling in years in Madison county. The affair has created quite a sensation in court circles and was the subject of the much comment this week.

## MT. SALEM.

## POST OFFICE TO BE DISCONTINUED

PREACHERSVILLE PEOPLE MAY  
BE PUT ON EXTENSION OF  
RURAL ROUTE NO. 4.

Preachersville March 16. Mr. W. H. Cummins, the postmaster at Preachersville, has received formal notification from the department at Washington City to the effect that the office at this place is to be discontinued March 31, and his resignation will be accepted at that time. It is not known what disposition the authorities will make of this matter. Besides the proposition for a rural route, out of Crab Orchard to serve this place, we hear some talk of continuing the route No. 4. Stanford down the Crab Orchard pike to Drake's Creek or thereabouts and double back before leaving Preachersville for Stanford. Our people have enjoyed the benefit of a daily mail service since April 20th 1883.

Talves entered the corn crib of Sam J. Harris, the Drake's Creek farmer Sunday night and helped themselves. A rain was in progress at the time of their entry and ceased falling before they left which caused their back on leaving to be plain enough to follow easily. Mr. H. took the trail and soon found where it ended. We heartily advise the light-fingered gentry to not repeat the caper if they desire to keep out of jail or retain their health.

Born, to the wife of T. Y. Shaw, a fine girl. A fine daughter has also arrived at the home of Mr. and Mrs. James Brewer.

Mr. J. T. Roberts of Hubble, and daughter, Miss Essie Roberts, of Chicago, are visiting Mr. and Mrs. T. Y. Shaw.

While taking a stroll on Dix River near the "Horse Shoe Bend", W. F. Ballard and Henry Kidd found the head of an enormous catfish recently. There were about ten inches of the larger vertebrae still attached to the head. The spread of the jaws from side to side measured full seven inches. It is conjectured that the high tide in January carried the big fish high up in the big water and when the water receded, by some means the fish failed to get back with the falling water. Dynamite is sometimes used for the unlawful killing of fish and this may have been the victim but not secured by the user of the explosive. This is believed to have been the fish that broke so many lines for the local sports last year in this locality.

Mrs. W. H. Smith sold the stone smoke stack and boiler of the old White's Mill, formerly known as James' to Jas. I. White who will use the stone for a foundation on which he will erect his Lincoln Inn building Mrs. Smith will soon have the old mill dismantled and rebuilt.

Mr. Brown and Frank Cash, of Bee Lick, visited the family of J. W. Brown H. C. Brown, of Mercer visited A. C. James Mr. and Mrs. Grover Gastineau of Point Leavelle were visiting Wm. Naylor and wife.

Mr. and Mrs. Phil B. Thompson gave an elegant dining in honor of Mr. John Carpenter and son, Oliver A large crowd of kinfolks and friends enjoyed the lavish hospitality of this popular couple. Mr. Carpenter and son will soon leave for Red Rock, Oklahoma.

A barn belonging to Wm. Aker burned down Friday afternoon. About 40 barrels of corn and some hay were consumed.

\$1 A YEAR STRICTLY IN ADVANCE

Entered at the postoffice at Stanford as second class mail.

DEMOCRATIC TICKET.

For Circuit Judge.

HON. CHARLES A. HARDIN,  
of Mercer County

Thomas S. Rhea, of Russellville, has announced as a candidate for the democratic nomination for State Treasurer. He is one of the most prominent democrats of western Kentucky, has held numerous positions of honor in his community, and looks like a winner all over. He was sheriff of Logan county for four years and is at the present time chairman of the Democratic Committee of that county. Upon the expiration of his term as Sheriff Mr. Rhea was elected vice president of the bank at Russellville, which position he now holds, and he is regarded as one of the most able financiers in Kentucky.

In democratic circles Mr. Rhea is known as a splendid organizer and his services are always in demand by the party in his section of the state. He is a brother of the Hon. John S. Rhea, former representative in congress from the third district and of A. G. Rhea, Democratic State Executive Committee member from the State-at-large.

At a banquet by the New Jersey State Senate, Gov. Woodrow, who may be the democratic nominee for president, told why he is a democrat.

The Governor said he was a democrat and not a republican, because as he understood it, the republican's first

principal was the Hamiltonian attitude that trusteeship in government had better be administered by those who had the largest stake in the community.

"This is instanced," he continued, "in the protective policy, which holds that the country is solidest talent with greatest prosperity in a comparatively limited class. But I am not convinced that the stewardship of any one class is broad enough to be safe proposition. By the republican idea as the men of small moneyed class grow wealthier and wealthier, the prosperity of the people at large must follow increasing also. This like standing a pyramid on its apex and we believe in building pyramids from the ground up. My desire, as a democrat, is for the interests of the poorer majority with the welfare of the few a subordinate consideration."

"The fundamental questions that distinguish the two parties are national questions. I have never been a good party man in the sense of being a good hater. I cannot hate a man merely because we differ in opinion. That I love a fight I admit but it is not because personal antagonism is involved, but in spite of that fact. The only man I can't respect is he who differs from me without having a reason for it."

Judge Allie Young, of the Bath county circuit court made an innovation the other day at Owingsville which has caused much comment. A case was being tried and it was found that no jurors of the regular panel were available. The sheriff was instructed to go to the school and select a dozen school boys for a jury. The officer did as instructed and secured boys from 13 to 18 years of age. They were sworn and tried a case for illicit selling of whisky. They found the prisoner guilty returning a prompt verdict.

## SENATOR PAYNTER.

(W. P. Walton in Lexington Herald.) A Frankfort correspondent is authority for the statement that Senator Paynter declined an offer of a seat on the Supreme bench, because he did not want a Republican to be appointed to succeed him in the Senate, then in so much need of Democrats. This is highly creditable to the party loyalty of the Senator and deserves to be rewarded.

Senator Paynter has made a good record and such as to entitle him to an endorsement an active canvass for which it is said he will begin at once to make.

The only possible thing that can be urged against Senator Paynter was his support of Lorimer, and that should not be counted against the Senator any more than a decision of a judge should be held against him. Senator Paynter was on the committee that investigated the charges of bribery and corruption against the Illinois Senator, and he says he would not convict a dog on such testimony as was brought before it. Having been long on the state's highest bench Paynter knows the value of testimony and being an honest man he could not find other than he did, believing that there was no incriminating evidence against Senator Lorimer, who may be as guilty as can be, but who can not be convicted except on such testimony as a court would accept.

O HAVE ANOTHER CLEVER HOME TALENT PLAY MARCH 20th

Crab Orchard, Ky., Mar. 16th. Crab Orchard, a village with splendid amateur histrionic talent, will enjoy a three-act farce comedy at the Springs on March 20th, the proceeds of which will go to the Christian church. The play is entitled "All a Mistake" the cast of characters being as follows:

Sea Captain—Obadiah Skinner—A retired Sea Captain, W. T. Gover.  
Lieut. George Richmond—His Nephew, R. H. Bronaugh, Jr.  
Richard Hamilton a Country Gentleman, Thomas Moore.  
Ferdinand Lighthouse—A neighbor, M. M. Perkins.  
Nellie Richmond—George's Wife, Miss Kate Middleton.  
Nellie Huntington—A friend, Miss Ophelia Lackey.  
Cornelia—(Nellie) Skinner, Obadiah's sister, Mrs. W. T. Gover.  
Nellie McIntyre—A servant, Mrs. R. H. Bronaugh, Jr.

Saturday evening Mr. James Speed of Louisville delivered his Illustrated Lecture "Schools here and elsewhere" to a large and attentive audience. Wish More could have heard him. He is doing a great work, showing where we should be more enthusiastic in educational lines and equipments of better buildings and etc.

Mar. J. F. Cummins, of Stanford, spent the day Tuesday with her sister Mrs. H. D. Campbell.

Mrs. W. Hutcheson and little son were up for a days visit from Stanford visiting Mrs. R. C. Collier.  
Rev. Wilkes pastor, of Berea Baptist church preached a fine sermon both morning and evening at the Baptist church. He will continue the meeting on through next week. He is the right man in the right place. There was a confession at the morning service Wednesday morning. If the Christian people will be revived in their own hearts and lives, then we can expect many conversions and additions to our churches.

Mrs. Hays Foster of Stanford spent the day Wednesday with Misses Pearl and Clara Collier.

Dr. J. W. Edmiston has bought a nice house, and lot from Mrs. Jane Buchanan.

## WARNING TO RAILROAD MEN

Look out for severe and even dangerous kidney and bladder trouble resulting from years of railroad work. Geo. E. Bell 628 Third St., Fort Wayne, Ind., was many years a conductor on the Nickel Plate. He says: "Twenty years of railroad life left my kidneys in terrible condition. There was a continual pain across my back and hips and my kidneys gave me such distress and the action of my bladder was frequent and most painful. I got a supply of Foley's Kidney Pills and the first bottle made a wonderful improvement and four bottles cured me completely. Since being cured I have recommended Foley's Kidney Pills to many of my railroad friends. Shugars and Tanners."

## DIGNITY DARE 1982

Nominated in the Chronicle's Saddle Horse Futurity Stake 1911. 1912

Combined stallion, Dark Mahogany Bay, 15-3 3/4; weight 1,200 pounds, is absolutely sound in every way. Kind disposition and colts easily handled. He has stepped eighth in 18 1/2 hitched to a sulky; is five gaited; a great show horse wearing the blue tie ever since a yearling; at three years old wore 13 blues and 1 red out of 14 shows; as a harness horse and as a model is in a class to himself. He was never defeated except by two of his own colts, and has won in rings of 23 head. His colts are always inside the money, and when developed make great saddlers and high priced three and five gaited show horses. Sixty five of his get at an average age of 2 1/2 years sold at an average price of \$611. He has never been defeated in a proce ring when shown with 4 to 18 of his get.

Think of such saddlers as he has sired; namely, Nettleton, Winsom, Prospect, the Jim Anderson mare, Hey Day, the Price Herring Mare, Tottle, Dare, London Dare, Dare All, White Foot, Prince Imperial and a host of others that have been sold from \$1,000 to \$3,500. Look at his record as a sire of saddlers and see what they can do.

DIGNITY DARE, got by Chester Dare No. 10, &c. 1st dam by Welchmont 6367 A. T. H. R., he by Rysdyk's Hambletonian No. 10 A. T. H. R. will serve mares this season of 1911 at my stable in Hustonville at the low price of

\$25 to insure a Living Colt. Money due when colt comes of mare traded or removed, or bred to any other stock. A lien retained on all colts until paid for. Grass furnished at reasonable price for mares from a distance and must be settled for before removed. Breeding hours from 8 to 10 in the morning and 4 to 6 in the evening. Mares will receive my personal attention, but will not be responsible for accidents or escape. Will also at the same time and place stand my great breeding Mule Jack PEYTON.

so well known in the West End of Lincoln county, at \$10 for mares and \$20 for jennets, due when colt is foaled or mare traded, removed of part with, or mare bred to any other stock. Peyton by Huff Dudderar's Jack, he by Hubbley Brignolia and out of Jim Porter Jennet.

Peyton is fine with very large bone and foot, good neck and ear, good quarter, well mounted, 15 hands 1 inch high and admired by all who see him, and is said to be the best mule jack in Lincoln county.

All are invited to come and see him. Phone in residence.

B. C. CARPENTER,  
Hustonville, Ky.

## Dr. Pierce's Favorite Prescription

Is the best of all medicines for the cure of diseases, disorders and weaknesses peculiar to women. It is the only preparation of its kind devised by a regularly graduated physician—an experienced and skilled specialist in the diseases of women.

It is a safe medicine in any condition of the system. THE ONE REMEDY which contains no alcohol and no injurious habit-forming drugs and which creates no craving for such stimulants.

THE ONE REMEDY so good that its makers are not afraid to print its every ingredient on each outside bottle-wrapper and attest to the truthfulness of the same under oath.

It is sold by medicine dealers everywhere, and any dealer who hasn't it can get it. Don't take a substitute of unknown composition for this medicine of known composition. No counterfeits as good as the genuine and the druggist who says something else is "just as good as Dr. Pierce's" is either mistaken or is trying to deceive you for his own selfish benefit. Such a man is not to be trusted. He is trifling with your most precious possession—your health—may be your life itself. See that you get what you ask for.

## THE WARFIELD

Trial 2:24 Trotting. Dark Bay Stallion, 16 hands; foaled August 1901, bred at Village Farm, East Aurora N. Y. First dam Naughty Girl by Rex American 23200, 4-year-old record 2:11 1/4, sire of Battleton, 4-yr. record 2:07 3/4. American Belle 3-yr. record 2:12 1/4 and 13 others in 2:30 list; a son of Onward 1411, record 2:25 1/4, sire of Onward Silver 2:05 1/4 and 170 others in the 2:30 list. Onward was sired by George Wilkes 519.

Second dam Duerma, sired by Mambrino King 1275, sire of 75 including Lady of the Manor 2:04 1/4, Lord Derby 2:05 3/4, Heir at Law 2:05 3/4, 6 others in 2:10.

3rd dam Dotlet, by Nutwood 600, the sire of 14 in the list.

4th dam, Topaz by Strathmore, 405, sire 99 in the list.

5th dam, Millard, by Albion, 6th dam Ned by Edwin Forest. 7th dam Lady Turner by Mambrino Chief II.

The Warfield was bred to only 15 mares. He has 12 foals all up-headed plenty of style, size and substance and plenty of speed. The Warfield is a representative stallion in all the term imbalances. To say that he has size, substance and speed only in part emphasizes the qualities combined in this son of Dare Devil. He has them and there are such symmetrical characteristics as to make him a stallion almost many. His head and neck, body, feet and legs are perfect and when seen in connection with his faultless gait and great beauty are especially impressive. You should see this horse before breeding. You will say you never looked at a better one.

The Warfield is the only stallion that has 7 dams in the great brood mare list. He has two Mambrino King crosses, two Mambrino Pachens, two Mambrino Chiefs, one Chinese one Onward, one George Wilkes, one Elce (Jigger), one Nutwood, one Strathmore, more trotting crosses than any stallion alive.

The Warfield is by Dare Devil, 24858 record 2:09. He by Mambrino King 1279 he by Mambrino Pachens, 58 he by Mambrino Chief II, 58 Merced, by Chimes 5348, by Electioneer 125.

Dare Devil is a great winner. He won the championship at National Horse Show in 1898, class 4; first National Horse Show 1899, class 2; first National Horse Show 1900, class 10; first National Horse Show 1901, class 10; first National Horse Show 1902, class 10; first National Horse Show 1903, class 10; first National Horse Show 1904, class 10; first National Horse Show 1905, class 10; first National Horse Show 1906, class 10; first National Horse Show 1907, class 10; first National Horse Show 1908, class 10; first National Horse Show 1909, class 10; first National Horse Show 1910, class 10; first National Horse Show 1911, class 10.

Will make the season of 1911 at my place near McKinney, Ky., at the low price of \$3.00 to insure a living colt. This jack is 15 hands 2 inches high black with white points, fine style great bone and foot and has proved himself a great breeder. His colts has always brought the top prices. It will pay you to see this jack before breeding your mares.

S. M. OWENS & SON, McKinney, Ky.

From all reports this going to be the banner horse and jack breeding season in many years in this part of the state. All the leading stallions and jacks will be advertised in the Interior Journal, which goes to twice as many farmers as most of the country papers in this part of the state.

## Farmers Business

WE GIVE particular attention to the business of the farmers. We cordially invite them to make this their BANKING HOME.

state Bank Trust Co. STANFORD, KENTUCKY.

## THE FARMERS

POSTED.—Father Leo, W. B. King. A bargain if sold in 80 days.—A tract of 87 acres of land on Crab Orchard and Stanford pike, 3 miles from Crab Orchard, Ky. Apply to W. T. Garner, Stanford, R. F. D. No. 1, 17-1.

Senator R. L. Hubble and son sold a fine four-year-old oak to J. C. Blackerby, of Bloomfield, Nelson county, this week for \$800.

George White has rented H. S. Painter's farm for this year and Mr. P. goes to Virginia to run a hotel. His friends say that Mr. W. rented with the intention of "backing," but the prospects are very good that he may take a better half before the year is out.

Reports have it that the farmers throughout Central Kentucky will this year test their seed corn and take no chances on having to plant their crops over. It seems that much of the corn crop of 1910 was either cribbed too soon or permitted to remain in the shock too long.

The yield of Kentucky hemp 15 years ago was approximately 150,000, 600 pounds. Ten years ago we produced only 23,000,000 pounds, and in 1910 the crop aggregated the small yield of 10,000,000 pounds. The reason of this remarkable decline in what was one of the most profitable crops in Central Kentucky, was the scarcity of labor to break it out.

Another world's record has been broken. The new queen of the dairy is a beautiful Jersey cow named Sophie 19th of Hood Farm, Lowell, Mass. She is the champion Jersey for milk and butter fat production of cows between four and five years of age. During the 12 months ending December 31, 1910, on a test authenticated by the Massachusetts Agricultural College, under the rules of the American Jersey Cattle Club, Sophie 19th of Hood Farm gave 14,473 pounds, 11 ounces milk, testing 1005 pounds, 11 ounces butter or over half a ton. An accurate account was kept of her feed, and her milk sold at 10 cents per quart made a profit of \$565.22. The United States Department of Agriculture's estimate in round numbers of the wealth produced each year by the 22,000,000 cows in the United States is \$400,000,000, of an average profit of \$36.36 per cow. If more attention was paid to feeding and breeding it should be easy to increase the average profit per cow at least one tenth of the profit made by Sophie 19th of Hood Farm. Sophie would raise the total to \$1,240,000,000 an increase of \$440,000,000.

B. D. Holtzclaw shipped two cars of hay to Jellico bought of James Messer, for \$14 per ton. E. L. Wilson bought two sows and pigs for \$50.

N. W. Rogers bought a four-year-old saddle horse from Cray Camden for \$150, a four-year-old mare from Mr. Lusk for \$125. He also bought recently a fine three-year-old jack for \$500 from D. D. Sloan. K. L. Martin sold some corn to Emmett Hasty at \$3. Jno. T. Robinson bought some calves at 1 1/2 cents, W. M. Anderson sold some 90-pound shoats to D. B. Abner at 8 cents, bought a lot of corn of Claude Bailey at \$2.50. Crest and Jones bought a load of butcher beef at 1 1/2 to 4 1/2 cents. M. E. Burton of Pulaski sold to J. L. Hutcheson of Boyle, 24 yearling heifers at \$16.75, sold Thos. 17th 5-year-old cattle at 5 cents. Walter Hitt bought a horse from Bourne for \$100. Carter Price sold 23 head of yearling cattle to Berry Bruner, of Jessamine, at 5 cents; sold a bunch of shoats to Spoonamore at 8 cents. J. H. Bueble bought a bunch of hogs of George Smith at \$12.50, bought a nice heifer to B. D. Holtzclaw for \$25. J. L. Hutchins bought 40 head of yearlings court day from various parties at an average price of \$15.

Boyle county farmers have had a costly experiment with seed wheat which they purchased in Missouri last fall. J. Edward Allen sowed thirty acres, John C. Robinson fifty acres and many other farmers in the county acreages fully as large and were well pleased with the outlook until the severe freeze of the past week. About 2,000 acres were sowed in the county. The farmers thought they were buying Missouri Winter Fultz wheat but the indications are that they got spring wheat instead. The wheat fields which had enjoyed a luxurious growth during the warm days in January and the early part of February were blackened by the cold weather. The wheat was wilted and fell flat on the ground. The farmers will wheat.

THINKS BAILEY THE GOODS

In writing to the Casey County News from Valley View, Texas McWheat says:

"As the cotton crop is to Texas and all U. S., so is Joe Bailey the greatest democrat living in the state of Texas, not only in Texas he is the greatest democrat of today. We Texas people can well boast of three things: 1st the largest state in the union, 2nd the greatest cotton state in the world, but not least, 3rd the greatest democrat and his name is J. W. Bailey."
